

Publishing Academic Books with Springer Nature

When: June 10th at 10:00 am Algeria time

Presenters:

Swati Meherishi, Editorial Director (Books), Applied Sciences (ROA)

Leen Samarah, Account Development Manager - MEA

About the Workshop:

This workshop on book publishing is aimed at faculty members who may be interested in publishing academic books of different kinds.

We will cover processes and requirements for publishing books, conference proceedings, and other innovative products, such as videos and online course modules published by Springer Nature. We will also touch upon ethics, permissions, and other pertinent factors related to publishing.
